INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In continuation of the Preliminary Amendment included at filing, it was noted that the PTO Form 1449 inadvertently omitted three references cited in the parent U.S. application. Thus, the enclosed Form PTO-1449 corrects that oversight. It is then respectfully requested that the enclosed PTO-1449 be initialed and returned with the next official action so that consideration is made of record in this application.

Respectfully submitted,

Bobby Hu
